

FGT Cherry Season Debrief

Dear Industry Stakeholders,

With the 2018-19 cherry season now finished, it is an ideal time to bring growers, exporters, service providers and other industry stakeholders together to cover the events of the season including fruit quality, export procedures, marketing and other issues arising.

This Season Debrief will also feature a talk from our Guest Speaker, Wayne Prowse.

FGT would like to extend an invitation to industry stakeholders – packers, exporters, freight forwarders, freight companies, agronomists and other industry stakeholders to attend a meeting to review the season.
