

Spring 2020 Orchard Walks Tasmania

Managing your orchard and workforce in a global pandemic

What you will learn

Jeremy Griffith, APAL, will provide you with an update on the current labour situation in Australia.

Ross Wilson and Craig Hornblow, AgFirst, will present a decision tree of management options for a range of labour supply situations, using the Australian Model Orchard as a case study.

A panel of Australian growers will discuss how they are addressing labour issues.

Facilitated by Justin Smith, APAL, the panel includes:

Nicole Giblett, Newton Brothers Orchards, Manjimup

Joe Ceravolo, Ceravolo Orchards, Adelaide Hills

Thom Phillips, Armours Apples, Gippsland

Matthew Griggs, Lucaston Park Orchards, Huon Valley.

While walking around Hansen Orchards, **Sophie Folder** will present the results of the stem clipping study. Over lunch join a tasting panel of the Gala eating quality trial.
